

IMPORTANT NOTICE TO ALL STUDENTS

This notice is issued for the information and attention of all students enrolled at College.

All students are requested to carefully review their course and fee information and ensure that they are aware of the following:

1. Course Duration and Fee Instalments

All students must be aware of:

- The duration of their course.
- The month in which their fee instalments commence.
- The month in which their fee instalments end.

Any other relevant information regarding their fee payment schedule.

If any student is unclear, has doubts, or is unsure about their fee instalment schedule, they are required to submit an inquiry to the Finance Department by tomorrow, 22 September 2026, before 14:00 hrs.

Students are strongly requested to submit their inquiries within the specified deadline so that any confusion regarding their fees can be clarified promptly.

2. Settlement of Outstanding Fees

Students who have any outstanding fees are required to settle the full outstanding amount, including any applicable fines, no later than 24 September 2026.

Students who are unable to complete the required payment by the given deadline may face suspension of student services, which may include access to the Student Portal, Virtual Classroom, and other relevant student services.

Important Reminder

If you have any questions or concerns regarding your fees, instalments, or outstanding balance, you must submit your inquiry to the Finance Department by 22 September 2026 at 14:00 hrs, as stated in Point 1.

If the College does not receive any inquiry from a student by the specified deadline, the College will assume that the student is aware of and understands their fee payment schedule and related financial obligations.

All students are therefore strongly advised to review their fee information and take the necessary action within the deadlines provided.

Your prompt attention and cooperation are appreciated.
